

A Testomonial

"We were receiving flyers from all the area photographers and the prices were astronomical for photos my son didn't even really want to take. We were overwhelmed with offers.

We had always loved Tom's outdoor photos so we decided to make the call and check out what he offered, but we had a few criteria of our own. My son wanted his photos taken outside at a locale he loves; not in a studio, he wanted them done fast; without 400 changes of clothes, he didn't want posed and my husband and I didn't want to mortgage the house.

Tom worked with us on all counts! We quickly set up a time and he literally produced a miracle; getting my less than enthusiastic son working right along with him to get the perfect photo. He was fast and flexible, using our ideas and we had a remarkable selection of photos to chose from. Every photo was great! The hardest part of the whole process turned out being selecting the photos we decided to go with, as we liked them all! True to his word, Tom didn't take advantage of us and try to sell us more than we wanted or needed, making the whole process fast and painless. Who'd had guessed that senior photos could be so easy? Great photos, professional, easy to work with, fast and reasonably priced, our experience with Tom Buchkoe Photography was awesome on all counts."
